

European Association Of Plastics Recycling  
& Recovery Organisations

Invitation: Now open for entries

Dear Sir or Madame,

EPRO invite you to enter the international Best Recycled Plastic Product Competition 2015.

The award recognises excellence and innovation in recycled plastic products from across Europe. The aim is to raise awareness and showcase the potential for recycled plastics to be used in many different applications. For the first time, the award winner will also receive a prize in form of product promotion within Europe via relevant magazines.

## Will you be one of the 2015 winners?

**Product Manufacturer Entry** – EPRO, the European Association of Plastics Recycling and Recovery Organisations, invites all manufacturers of products made from recycled plastics to enter. The deadline for applications is **11<sup>th</sup> March 2015**.

Your **product** needs to:

- contain post-consumer / post-industrial recycled plastics
- be available to the European market from 2011 or later
- either a business to business product, or a product for the consumer market
- have been manufactured in Europe

**Entering is quick, easy and FREE!**

[Enter here](#)

If you have any questions about the entry process, please contact **Ms Claudia Hoese** <mailto:hoese@rigk.de>.

## Winners will be announced at IdentiPlast 2015

A panel consisting of representatives from across Europe will assess the entries and produce a short list of finalists.

The winners will be presented with their award at the IdentiPlast 2015 congress in Rome, April 29-30. Winners will also benefit from publicity via the EPRO website.

We hope that you will take this opportunity to work with EPRO in an effort to promote the growing range of excellent recycled products that are already on the market across Europe. We must ensure that consumers and industry recognise the progress in recycled plastics, and continue to collect, sort and recycle this valuable resource.

We look forward to receiving your entries.

Best regards,

**Eirik Oland**

**EPRO Head of Communications**
